David Dickson Dovi Teko-Agbo

GRADUATE SOFTWARE ENGINEER / APPLICATION DEVELOPER

I have a passion for solving complex problems. I have experience in developing web applications and AI solutions through mobile application. Ability to work effectively in a team environment

EXPERIENCE

FRONT END DEVELOPER COREGYMSA

3 months

Developed a fully functional and responsive website for a local gym using HTML, CSS, and JavaScript. Implemented features such as a load-shedding schedule, membership sign-up, pricing plans, and more. Deployed the website using GitHub, ensuring high availability and scalability. AI HEALTH APPLICATION DEVELOPER HACKATON

3 months

Collaborated in a team of 4 to create an AI-driven doctor app that provides users with prescriptions and symptom analysis. Utilized Java and Gemini API to develop the core functionality of the app. Achieved 2nd place in the hackathon, demonstrating innovative use of AI to solve real-world health issues.
